**INTERNATIONAL JOURNAL OF HEALTH AND SOCIAL BEHAVIOR**

**VOLUME 1 NO 1 FEBRUARY 2024**

**FOKUS DAN RUANG LINGKUP JURNAL**

**International Journal of Health and Social Behavior**, This journal is published by the Asosiasi Riset Ilmu Kesehatan Indonesia presenting the results of research and review of the literature so that this journal is useful for health professionals, pharmacists, doctors and nurses, policy makers, health workers, lecturers and students who are interested in publication science related to Health Sciences. This journal is published 1 year 4 times (**February, May, August and November**).

The International Journal of Health and Social Behavior Published The Only Paper That Strictly Follows Guidelines And Templates For Manuscript Preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by members of the editorial team (according to the area of specialization) and will be screened by the managing editor to meet the criteria required for publication. Manuscripts will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their areas of specialization. The International Journal of Health and Social Behavior Has Reviewed the Form to Keep the Same Items Reviewed by Two Reviewers. Then the Editorial Board Makes a Decision Based on the Reviewers' Comments or Suggestions.

Reviewers provide assessments of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature studies, case reports and concept or policy articles in all areas of health professionals, pharmacists, doctors. and nurses, policy makers, health workers. The articles that will be published are original works and have never been published. Incoming articles will be reviewed by a team of internal and external reviewers.

The Editorial Board will continue to strive to improve the quality of the journal so that it can become an important reference in the development of science. Deepest appreciation and thanks to Mitra Bestari, members of the editorial board and all parties involved in publishing this journal.

Regards,

Chief Editor
