## INTERNATIONAL JOURNAL OF PUBLIC HEALTH

VOLUME 1 NO. MARCH 1, 2024

### FOCUS AND SCOPE OF THE JOURNAL

**International Journal of Public Health**, This journal is published by the Asosiasi Riset Ilmu Kesehatan Indonesia presenting the results of research and review of the literature so that this journal is useful for health professionals, pharmacists, doctors and nurses, policy makers, health workers, lecturers and students who are interested in publication science related to Health Sciences. This journal is a peer-reviewed and open Health Sciences Research journal. The fields of study in this journal include the sub-groups of General Health Sciences, Nursing and Midwifery Sciences, Psychological Sciences and Pharmaceutical Sciences. This journal is published 1 year 4 times (**Maret, Juni, September dan Desember**).

Articles published in the International Journal of Public Health include original scientific research results (top priority), new scientific review articles (not priority), or comments or criticism of existing papers. The International Journal of Public Health accepts manuscripts or articles in the fields of health, pharmacists, doctors and nurses, policy makers, health workers published in the International Journal of Public Health, from various academic circles and researchers both nationally and internationally.

The articles published in the journal are articles that have gone through a review process by Mitra Bebestari (peer-reviewers). The International Journal of Public Health publication published by the Indonesian Health Sciences Research Association only accepts articles originating from original research results (top priority), and new scientific review articles (not priority). The decision whether or not to accept a scientific article in this journal is the right of the Editorial Board based on recommendations from Mitra Bebestari.

## **INTERNATIONAL JOURNAL OF PUBLIC HEALTH**

**VOLUME 1 NO. MARCH 1, 2024**

### **FOCUS AND SCOPE OF THE JOURNAL**

**International Journal of Public Health**, This journal is published by the Asosiasi Riset Ilmu Kesehatan Indonesia presenting the results of research and review of the literature so that this journal is useful for health professionals, pharmacists, doctors and nurses, policy makers, health workers, lecturers and students who are interested in publication science related to Health Sciences. This journal is a peer-reviewed and open Health Sciences Research journal. The fields of study in this journal include the sub-groups of General Health Sciences, Nursing and Midwifery Sciences, Psychological Sciences and Pharmaceutical Sciences. This journal is published 1 year 4 times (**Maret, Juni, September dan Desember**).

**International Journal of Public Health** The Only Paper That Strictly Follows Guidelines And Templates For Manuscript Preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by members of the editorial team (according to the area of specialization) and will be screened by the managing editor to meet the criteria required for publication. Manuscripts will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their areas of specialization. **International Journal of Public Health** Has Reviewed the Form to Keep the Same Items Reviewed by Two Reviewers. Then the Editorial Board Makes a Decision Based on the Reviewers' Comments or Suggestions.

Reviewers provide assessments of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature studies, case reports and concept or policy articles in all fields of general health sciences, nursing sciences and Midwifery, Psychological Sciences, and Pharmaceutical Sciences. The articles that will be published are original works and have never been published. Incoming articles will be reviewed by a team of internal and external reviewers. The Editorial Board will continue to strive to improve the quality of the journal so that it can become an important reference in the development of science. Deepest appreciation and thanks to Mitra Bestari, members of the editorial board and all parties involved in publishing this journal.

Regards,

Chief Editor
